

Simplify coding and billing

Transitioning to electronic coding and billing solutions is easier and more affordable than you think.

EncoderPro.com can help you save time and money by automating administrative tasks and can help you navigate industry changes with ease. From ICD-10 mapping tools and supplemental modules to three different levels of encoder support, we offer a wide range of tools to help you stay current, compliant, and competitive. Electronic processes help you:

- Save time and money
- Increase accuracy, which reduces denials and helps you get complete reimbursement
- Require less storage space and paper
- Simplify the transition to ICD-10, so you'll remain compliant

EXPERIENCE THE SAVINGS WITH ENCODERPRO.COM

Access the content of more than 37 Optum code books for the price of one subscription.

EncoderPro.com Expert is our premier online coding tool that delivers all the content of multiple books for the price of one subscription so you can save more and do more. For one low subscription price you'll get:

- *Current Procedural Coding Expert* (valued at \$99.95)
- *ICD-9 CM Expert for Physicians, Volumes 1 & 2* (valued at \$95.95)
- *HCPCS Level II Expert* (valued at \$99.95)
